

Annex F to AMAS 03.02 EO RE Impact Classification

EO RE Impact Classification:

The impact scores from the assigned criteria are summed up, making a total score, for weighing the level of impact.

The total scores given to an Impacted Community or population group are classified into Very High, High, Medium and Low impacts. The table below provides a reference to the impact classification and its ranking.

EO RE Impact Classification table:

Impact Classification	Total Score	Ranking
Very High Impact	> 11	1
High Impact	7 to 10	2
Medium Impact	4 to 6	3
Low Impact	1 to 3	4

Note: This is not applicable for Returnees' Encashment Centres, Transit Centres, Zero Points, Exhibitions, Mobile Cinemas, LSP, and EO RE implementation through Ministry of Education (Ministry of Education curriculum/ schools).
